The Lions' Pride

Christmas 2018

Lion Dr. Olivene Burke
President 2018/2019
Lions Club of Mona

Lions Club of Mona

As the holiday season dawns on us, I take this opportunity to extend a very warm greeting to you and your families.

This time of year, brings happiness, and it is also a time of reflection.

When I think back on the many projects undertaken during 2018, your commitment and hard work are testament of the achievements attained by the Lions Club of Mona.

Your zeal and dedication transcend the deep sense of pride and joy I feel, knowing that the Lions Club of Mona is blessed with talented, committed and hardworking Lions.

As the melodious sounds of Christmas carols bring joy and cheer to your hearts, may you be touched to continue to share this joy with others, as you reflect on the true meaning of Christmas.

I trust that you will be surrounded with peace, love, and happiness during this holy season.

May you and your families be continually blessed.

MERRY CHRISTMAS AND HAPPY NEW YEAR!

The Lions' Pride

Christmas 2018

Leo Yanique Brown
President 2018/2019
Leo Club of Mona

Leo Club of Mona

During this festive season of giving and as another year comes to a close, let us take time to slow down, reflect on the past and enjoy the simple things in front of us. As President for the Leo Club of Mona, Lionistic Year 2018/19, I can confidently say that the first six months into the year has generated as well as heightened the Leos' love and appreciation for the simple things in life and life in general.

Such appreciation was revealed at our visits to the St Ann's Infirmary in July, to the Jamaica National Children's Home - Tegwyn Unit and most recently at the Leo Weekend 2018 where we visited two elderly women: Ms. Veronica Burton and Ms. Gladdis Walker.

Additionally, the calendar year saw us growing our membership by five (5) new Leos; young people who are ready to take on new **Opportunities** and to grow from **Experiences** which will ultimately develop their **Leadership** skills.

Under the guidance of our parenting Lions Club - the Lions Club of Mona, it is my distinct pleasure to serve in this capacity and I look forward to growing even more from each experience as we work together **To Serve** and **Make a Difference**.

In this season of giving, I am elated to thank all of you, our Lions and my fellow Leos and friends who serve tirelessly year-round using your great expertise coupled with selflessness.

Wishing you, your loved ones and families much happiness not just for the holidays, but throughout the New Year to come.
